

April 10, 2020

Dear DTH Students and Parents,

We hope everyone is safe and doing well during this unprecedented period. We are reaching out to update you on plans with the DTH School. As you may have heard, Mayor Bill de Blasio announced all New York City Schools would be closed through the end of the school year. This announcement was followed by some conflicting information from the NY State Governor's office. The DTH school will remain closed until we have received clear guidance from New York City and NY State.

In the meantime, in order to supplement the training that had been taking place, we are preparing to launch online classes for all DTH students beginning next week. Stay tuned for additional announcements that will be released beginning on Tuesday, April 13, 2020.

For those of you with an interest or plans to join our Summer Intensive, we are closely monitoring COVID-19 in New York and plan to make an announcement regarding whether the program will take place no later than June 1, 2020. The safety of our students, teachers, accompanists and staff are our main priority and we will reopen our facility when it is safe to do so.

We miss everyone dearly and look forward to having all of us back together in the studio.

Please be well and safe,
