Dance Theatre of Harlem is a leading dance institution of unparalleled global acclaim, encompassing a professional performing Company, a leading arts education center and Dancing Through Barriers®, a national education and community outreach program. Now in its fifth decade, Dance Theatre of Harlem has grown into a multi-cultural dance institution with an extraordinary legacy of providing opportunities for creative expression and artistic excellence that continues to set standards in the performing arts. Dance Theatre of Harlem has achieved unprecedented success, bringing innovative and bold new forms of artistic expression to audiences in New York City, across the country and around the world.
